TEFAP Food Distribution Guidelines: Because this distribution includes government product from TEFAP (The Emergency Food Assistance Program), recipients must fill out an Aggregate Eligibility Form to receive these additional items. Recipients may refuse the form and still receive the standard donated food items.

Privacy & Security: The Aggregate Eligibility Form is supplied by the government, NOT CHFB. Information is kept in a secure, confidential location and will never be shared or publicized.

Product Availability: Items vary from week to week. CHFB does not know in advance which specific food items will be distributed.
